

## Call For Papers

The 8<sup>th</sup> Pacific-Rim Symposium on Image and Video Technology (PSIVT2017) will be held from November 20-24, 2017 at Wuhan, Hubei, P. R. China. The PSIVT is a high-quality series of symposium that aims to provide a forum to bring together researchers and practitioners who are being involved or are contributing to both the theoretical advances and practical implementations in image and video technology. The conference invites the submission of technical papers on significant, original, and previously unpublished research on all aspects of image and video technology. All papers will receive mindful and rigorous reviews. The conference also calls for special session proposals on specific emerging topics in image and video research area.
